

The New Hartford Public Library provides quality programs and services to people of the community. The Library has been able to offer additional programs and services because of a very special group of people:

Friends of New Hartford Public Library

What We Do:

- Sponsor special programs including author lectures and book signings, educational programs, and Children's and Teen's programs
- Provide funding for additional materials and resources
- Provide refreshments and volunteer help for special functions

How We Fund What We Do:

- Membership dues
- Used book sales
- Donations
- Sale of Friends' merchandise
- Annual Fundraisers (Ice Cream Social, Raffles, Bake Sales)

When you join the Friends, you will have the satisfaction of supporting one of our town's most valuable assets.
